

High School Transcript			
School: Preparatoria Tecnológico de Monterrey			
Campus	Level	Subject	Grade
1st Semester August - December 2017			
Campus Eugenio Garza Lagüera	High School	Fundamentals of life (Biology)	85
Campus Eugenio Garza Lagüera	High School	Personal Development	97
Campus Eugenio Garza Lagüera	High School	Tutoring I	AA
Campus Eugenio Garza Lagüera	High School	Liberalism and expansion in society (History)	84
Campus Eugenio Garza Lagüera	High School	German I	85
Campus Eugenio Garza Lagüera	High School	Spanish art and culture	91
Campus Eugenio Garza Lagüera	High School	Mathematics Fundamentals	84
Campus Eugenio Garza Lagüera	High School	Creativity and digital design	98
2nd Semester January - May 2018			
Campus Eugenio Garza Lagüera	High School	Tutoring II	AA
Campus Eugenio Garza Lagüera	High School	Digital Expression	97
Campus Eugenio Garza Lagüera	High School	Mathematical modeling principles	81
Campus Eugenio Garza Lagüera	High School	Spanish art and literature	88
Campus Eugenio Garza Lagüera	High School	German II	85
Campus Eugenio Garza Lagüera	High School	Conflict and reconstruction in society (History)	87
Campus Eugenio Garza Lagüera	High School	Thinking skills	92
Campus Eugenio Garza Lagüera	High School	Health and society (Biology)	86
3rd Semester August - December 2018			
Campus Eugenio Garza Lagüera	High School	Globalization and its challenges (History)	94
Campus Eugenio Garza Lagüera	High School	Ethical and citizen commitment	AB

Campus Eugenio Garza Lagüera	High School	Tutoring III	AB
Campus Eugenio Garza Lagüera	High School	Matter and environment (Chemistry)	91
Campus Eugenio Garza Lagüera	High School	Art and communication (Spanish)	91
Campus Eugenio Garza Lagüera	High School	Algebraic and transcendent functions (Math)	88
Campus Eugenio Garza Lagüera	High School	German III	80
Campus Eugenio Garza Lagüera	High School	Computational logical thinking	99
<b>4th Semester January - May 2019</b>			
Campus Eugenio Garza Lagüera	High School	Matter and sustainability (Chemistry)	90
Campus Eugenio Garza Lagüera	High School	Design and applications development	97
Campus Eugenio Garza Lagüera	High School	Trigonometry	84
Campus Eugenio Garza Lagüera	High School	Artistic and literary interpretation (Spanish)	86
Campus Eugenio Garza Lagüera	High School	German IV	81
Campus Eugenio Garza Lagüera	High School	Mexico on the global agenda (History)	91
Campus Eugenio Garza Lagüera	High School	Tutoring IV	AA
Campus Eugenio Garza Lagüera	High School	Personal and professional decisions	AA
<b>5th Semester August - December 2019</b>			
Campus Eugenio Garza Lagüera	High School	German V	82
Campus Eugenio Garza Lagüera	High School	Energy and transformation I (Physics)	89
Campus Eugenio Garza Lagüera	High School	Leadership for development	AA
Campus Eugenio Garza Lagüera	High School	Tutoring V	AA
Campus Eugenio Garza Lagüera	High School	Multicultural actors and perspectives (History)	89
Campus Eugenio Garza Lagüera	High School	Design and technology project	100
Campus Eugenio Garza Lagüera	High School	Innovation, technology and architecture	86
Campus Eugenio Garza Lagüera	High School	Calculus I	81

<b>6th Semester January - May 2020</b>			
Campus Eugenio Garza Lagüera	High School	Design and technology project II	99
Campus Monterrey	High School	Philosophy	93
Campus Eugenio Garza Lagüera	High School	Energy and transformation II (Physics)	92
Campus Eugenio Garza Lagüera	High School	Calculus II	94
Campus Eugenio Garza Lagüera	High School	Entrepreneurial leadership	AB
Campus Eugenio Garza Lagüera	High School	Personal and professional decisions II	AB
Campus Eugenio Garza Lagüera	High School	German VI	90
Campus Eugenio Garza Lagüera	High School	International Elective	95
<b>Summer Exchange to Germany June - July 2019</b>			
Campus Eugenio Garza Lagüera	High School	German VI	90
Campus Eugenio Garza Lagüera	High School	International Elective	95
<b>Extracurricular Subjects</b>			
Campus Eugenio Garza Lagüera	High School	Physical conditioning	100
Campus Eugenio Garza Lagüera	High School	Chess	90

# College Transcript

**College: Instituto Tecnológico y de Estudios Superiores de Monterrey**

**Bachelor of Science in Computer Science and Technology Engineering (ITC).**

<b>Campus</b>	<b>Level</b>	<b>Subject</b>	<b>Grade</b>
<b>1st Semester August - December 2020</b>			
Campus Monterrey	College	Engineering and science modeling	99
Campus Monterrey	College	Fundamentals of the structure and transformation of matter (Chemistry)	99
Campus Monterrey	College	Global health for leaders	99
Campus Monterrey	College	Computational modeling of motion	94
Campus Monterrey	College	Computational modeling applying conservation laws	100
Campus Monterrey	College	Fundamental mathematical modeling	89
Campus Monterrey	College	Computational thinking for engineering	99
Campus Monterrey	College	Computational object-oriented thinking	100
